**Scott Brown to Campaign in Washington, Pa**  
*U.S. Senator Brown to Attend Rally for Tim Burns on May 14*

**Washington, PA.** Tim Burns, the GOP candidate for Pennsylvania's 12th District, released the following statement about the upcoming visit by United States Senator Scott Brown:

“As our campaign continues to build momentum, I’m pleased to have Scott Brown campaign with me in Southwestern Pennsylvania next week. Senator Brown overcame significant odds by listening to the voters and standing up to the Obama-Pelosi agenda, and now in Washington, D.C., he’s fighting for job creation, lower taxes and limited government.

In our campaign, we are running neck-and-neck. For voters, the contrast between me and my opponent is clear. I will fight to repeal President Obama’s healthcare law because it hurts our economy, cuts Medicare and allows government-funded abortions. Mark Critz believes this is the law of the land and should not be repealed. On May 18, Western Pennsylvanians have an opportunity to help stop Speaker Pelosi and her partisan agenda that Critz will support at every turn.”
